Re: December 2010 Charges

David

I have no charges for December 2010. I thought I had indicated in an earlier memo that I did not expect any since I am waiting on Jim Bragg to finish his work on the paper with Gary so that we can get to the Venosa response paper and the legacy piece. I should have confirmed that there were no hours. My appologies. There will be a few hours in January that deal with responding to Venosa but basically I am still waiting on Jim.
